

The Volkswagen Drag Racing Club (VWDRRC) is one of the worlds longest running single marque racing clubs and celebrated its 30th anniversary in 2017. Within the club there are two different classes, VW Sportsman (entry level racing with a mix of race cars and road legal VAG based cars) and VW Pro (Top level High performance VWs and all out VW based dragsters). For 2019 we are trialling a new Heads Up class which will run at three events over the year.

This is your chance to promote your company to tens of thousands of potential customers at the race track and worldwide with the aid of the internet, not to mention supporting the UK's biggest and best Volkswagen Drag Racing Club.
